Dear Parents of Year 2 Children

This term, within our science topic, we are learning all about different habitats. To enrich the children's learning, we will be taking them to Dudley Zoo where the children will be able to visit lots of different animals from habitats all over the world. They will also receive a zookeeper-led workshop which will deepen their knowledge of habitats as well as having the opportunity to meet the animals who live in them.

The trip will take place on Tuesday 6th February. We aim to leave at 9.15am and should be back in time for the end of the school day. Due to the time of year, the children will need to wrap up warm. They need to wear their normal school polo shirt and jumper but can wear their own warm trousers such as jeans or jogging bottoms. The children will need to bring a warm, waterproof coat and wear sensible footwear (flat shoes, trainers etc).

We will be having lunch at the zoo, in a room they have allocated. However, they cannot provide anywhere to store bags so the children will need to bring a backpack, so that they can keep their hands free. The children will need to bring a packed lunch and non-fizzy drinks for the day. If your child would like to order a packed lunch please indicate on the reply slip below, but please ensure that they bring a full water bottle with them in their backpack.

The cost of this trip to include the coach fare and the entrance will be £13 per child. As you know we can only ask for voluntary contributions towards the cost and no child will be treated any differently if they do not pay, however the visit can only go ahead if there is a sufficient level of voluntary contributions. We do have some places available for parents to accompany us on this visit. If you would be interested in joining us, please indicate on the reply slip below. Please return the slip by Wednesday 31st January.

Yours faithfully
