Menu Change on Thursday 18th January for All Year Groups

We are trying to get as many Reception, Year 1 and Year 2 children to stay to dinner on **Thursday 18th January** to encourage them to take advantage of the Universal Free School Meal provision as this helps generate additional income for the school.

We will be holding

an American Diner style dinner on that day.

Southern Fried Chicken (homemade) Dinner Day (a vegetarian option will be available.)

Dinner will be served with potato wedges or jacket potatoes, baked beans, coleslaw, sweetcorn and a choice of dips.

There will be a selection of deserts.

We hope that your child will take advantage of this provision and stay for a dinner on this day.

The menu change is for all year groups and we are hoping to get as many younger children as possible to stay for dinner.

Data Collection

As you may know, we collect data about your child for school census which is collected by the Department for Education. You should be made aware that you have the right not to provide the following information about your child: nationality, country of birth, ethnicity, language and service child.

You also have the right to retract nationality and country of birth information previously recorded. Please contact the school office if this affects you. Thank you.

New Contact Details

If you have moved house or changed phone number recently, please remember to inform the office in writing or by e-mail to redhillparents.enquiries@taw.org.uk

Year 1 Freshwater Theatre Company Visit

On Tuesday, Year One received a special visit from the Freshwater Theatre Company. The company offered a fabulous experience to help the children learn about the Great Fire of London through the use of movement and drama. We went back in time and started our creative journey at Thomas Ferriner's bakery. We then became the people of London sleeping in their beds. We then acted out the ferocious fire which spread through the streets of London using ribbons for flames.

A great experience!

Young Voices

Once again, the children of Redhill had an amazing time at the Young Voices Concert at the Genting Arena. This year, our choir shared the experience with children from Morville Primary School. It was wonderful to see how welcoming and caring our students were. After an early lunch we set off for the arena joining over 6,000 other children for a rehearsal. The choir had the opportunity to practise all of the songs with a live band of professional musicians, a successful conductor and critically acclaimed soloists. The children particularly enjoyed dancing with members of Urban Striders. The evening concert was a chance for the choir to perform to their friends and family in a packed arena. Well done to all students who spent hours rehearsing the songs not only in our choir rehearsals but also at home.

We look forward to the next performance!

Well done to Jaina Amedo, Freya Blach-Jones, Thomas Brown, Scarlett Cameron, Hayden Cawley, Jiawei Ding, Rebecca Evans, Joshua Fenner, Lucy Ferguson, Chloe Harris, Maya Haruna, Rachel Heap, Annalize Kirnon, Brooke McGreevy, Millie Pigg, George Plowman, Ishi Ramesh, Teagan Randhawa, Matthew Smith, Aimee Stoker, Eva Weichlbauer, Charlotte Winspear and Charlotte Wolverson.

Sports News

The new PE subject for this term for Years 2-6 is Orienteering.

Please can children bring spare socks and old /wellies for their PE lessons as they may get dirty.

Thank you.

Reception Plea!

Please can we have clean plastic milk bottles to help us with our new designing project - Igloo making.

If you are able to help with the collection, please send in with your child for them to take down to the reception classes.

Scientists of the Week!

Well done to our Scientists of the Week!

Kian Holdsworth for his inquisitive approach to learning all about snowflakes.

Avin Nouri for having an excellent knowledge of the heart and circulatory system.

Congratulations!
