21<sup>st</sup> September 2018

Dear Parents/Carers

**Parents Calculation Meeting (All Year Group Parents Welcome)**  
**Wednesday 10<sup>th</sup> October 2018 at 5pm**

We use many different written calculation strategies in school and will be holding a meeting for parents of children in all our year groups with regards to how we teach maths. We will demonstrate how written calculations for all four operations progress from Foundation Stage to Year 6. This will demonstrate how we move from practical and mental strategies to developing a more formal strategy by the end of our school. The strategies are on our website as well. If you would like to attend, please can you fill in the reply slip so that seating arrangements can be made.

We would ask that children do not accompany their parents to this meeting please, as it could be quite boring for them! The meeting should last no longer than an hour.

Yours faithfully

Lisa Williams  
Math Co-ordinator

**REPLY SLIP**  
**PARENTS CALCULATION MEETING**
